Van Nuys, CA 91411

Dear Kay:

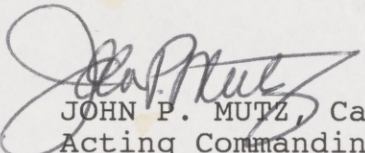

Thank you again for inviting me to attend the May 13 luncheon celebrating the 80th birthday of the Van Nuys Woman's Club.

It was truly a pleasure to meet many of the Club members and to listen to all of the commendatory remarks about our police officers. I was indeed impressed with the Club's unrivaled history of service and support of so many philanthropic interests. Please know that the work of everyone of you is important to our community. Your support of the police department is truly appreciated at this time.

On behalf of our police officers, please accept my gratitude for making us a part of your 80th birthday celebration.

Very truly yours,

DARYL F. GATES

Sandy Oseas and her poodle, Landmark, demonstrate how they work together at the Woman's Club of Burbank on Tuesday. John McCoy / Daily News

Woman praises right-hand dog

By Russell Rian
Daily News Staff Writer

BURBANK — After breaking her back 15 years ago, Sandy Oseas found herself depending on others to go shopping, pick up a dropped letter or simply move her about the house in her wheelchair.

She showed off her independence Tuesday at the Woman's Club of Burbank with her poodle, Landmark, a 24-hour-a-day companion who helps her shop, do the laundry and pick things up from the floor for her.

"When you're disabled, the worst thing is losing your independence, and this gives it back," said Oseas, 51, of West

Hills. "Now I can go to shopping centers by myself, I can do whatever I want without having to wait for someone else."

Speaking to about 30 club members as part of the group's focus on disabilities this month, Oseas said that her 7-year-old standard-size, fluffy white poodle has become everything from a companion that helps her pick up laundry to the power that pulls her wheelchair through a crowded shopping mall.

Landmark was trained by Canine Companions for Independence, a non-profit group that provides specially educated dogs to the disabled for free. The dogs range from those trained to tell a deaf master

when the phone is ringing to those who can operate on and off switches for the disabled.

"I think it's absolutely miraculous," said club member Beverly May. "(The dog) just anticipates all the moves. It's wonderful."

Landmark wears a harness with a handle on top that allows Oseas to grab on as he pulls the wheelchair. She also uses the handle to help herself up if she falls. The harness also includes two pouches, one for his dog biscuits and another for her keys, wallet or other items.

When she does laundry, Landmark will pick up a pile of dirty clothes one at a time and put them in her lap, so she can

put them in the washer. If a message needs to be delivered to someone else in the family in another room, Landmark is the right dog for the job, Oseas said.

Landmark can even pick a dropped coupon off the floor, pushing it together with his paws and picking it up in his mouth.

Oseas said that one of the most important things Landmark does for her is boost her confidence.

"Before Landmark, I wouldn't have gotten in front of anybody. I would have been a nervous wreck," she said. "He gives me confidence."

A MOTHER'S DAY FACT from the BOOK OF LISTS #2

MADGE GATES WALLACE (1862-1952)

A cantankerous woman, Madge Gates Wallace lived with Harry S. Truman and his wife, her daughter Bess, for 33 years, until she died at the age of 90. She never thought much of Harry, even after he became president, and was heard to remark in his presence that other men would have made better presidents - including that "nice man, Thomas E. Dewey." A proper son-in-law, Harry kept his mouth shut.

THOUGHTS OF YOU

by

BABE HART

In case I haven't mentioned

all the thoughts I have of you,

I'd like to say I'm thankful

for everything you do.

For you have been the

greatest source of happiness,

it's true. and

I can't begin to mention all

my fondest thoughts of you.

COLLECT IN SONG

TUNE: AMERICA, THE BEAUTIFUL

Keep us, Oh God, from pettiness
At finding fault be done;
Let us be large in word and deed
Each day from sun to sun,
Help us fault finding to leave off
Self seeking not to wish;
Let's meet each other face to face
Without a prejudice.

May hasty judgment be left out,
Our thoughts be generous;
Make us be gentle, calm, serene
And too, industrious.
Grant us that we may realize
Small things may be ignored;
That all the greater things in life
No difference afford.

Dear Lord, we ask in earnest prayer
That we may strive to know
The common human heart of all
As on through life we go.
Thy help, dear Lord, we humbly ask
To strive with heart and mind;
In all the work that we may do
Forget not to be kind.

PRESIDENT'S MESSAGE

Dear Friends,

Come to our "Special Convention" and you will see that Friendships Do Blossom in Federation. We invite all members, guests and delegates to our 37th Annual District Convention. April 15-17, 1993.

Our Convention Chairman, Carol Deeley and her enthusiastic Co-Chairman, Trudy Heinzer have been planning a "Cozy Convention" for everyone of us. Won't we have fun?

Thursday evening our Lancaster Club will host a pre-convention get together. Hawaii is the theme for this GARLAND OF FRIENDSHIP party. After you have your dinner come join the fun.

This is the time when each of our twenty-seven clubs have the opportunity to share their achievements and learn to know each other better.

Don't miss out in the Fun, Fellowship and Federation. Urge your members to attend. We'll see "Ya All" at the Radisson Hotel Simi Valley in April.

Love,

Beverly
